Where letters have been sent to Companies, 'Let' = E if Emailed; L if Letter sent 2nd Class & Q if address reQuested.
A ? in or after the VRM indicates that it has not been able to 100% confirm the Reg No of the Vehicle; NF = Not Found

Assessment:

1. Wow!! The outbound speeding continues to raise serious concerns because it is really bad here and something needs to be done about it before someone is hurt.
2. Letters sent to the companies of all HGVs over the limit and those vans at or over 38 mph or who were found to be repeats. This took 6 hrs to research and complete.
3. The outbound, black Mercedes Estate witnessed illegally overtaking by going the wrong side of the chicane needs reporting to the Police for a consequence. CRW might do that.

Recommendation To Council:

1. Support CRW in its efforts to address some of the speeding in Hilton rather than no one doing anything anywhere about it.
2. In consultation with the County Road Safety Officer, consider what might be done to reduce outbound speeding across the Paddocks.
3. In the absence of other ideas, consider purchasing a mini-SID and having a post installed just past the Paddocks to display speeds to outbound drivers.
