Where letters have been sent to Companies, 'Let' = E if Emailed; L if Letter sent 2nd Class & Q if address reQuested.
A ? in or after the VRM indicates that it has not been able to 100% confirm the Reg No of the Vehicle; NF = Not Found

Assessment:

1. These are the most concerning results from a quiet sunny idyllic Sunday afternoon.
2. No letters sent because of CRW's lack of resources and lack of commitment from a Parish Council that does not officially support its efforts.
3. We believe RDB Flooring is home-grown. Why insist other road users observe your limits and complain about speeding if your own villagers like the Black BMEW 5-Series Sports A5 ASH at 40 outbound persistently ignore them.

Recommendation To Council:

1. Consider the purchase and use of a SID for educating/detering outbound traffic that seems to see the NSL in the distance and accelerates towards it.
